Becky (Huselle)

This has been such a fantastic year for me. I have met so many wonderful new people. I even found out that Ortega people were normal! (just kidding) you have been so nice to me this year - you are one of my best friends. You and Kathy and I are going to have a great time this summer. I'm glad, after all your troubles, that you and she got everything straightened out. One of the best things I did this year was talking you into getting involved with the show. I think you enjoyed yourself. And I hope that you get involved in the show next year. It'll be super fun. and you and I will be French buddies for the next year, yeah, d'accord? Remember - France in '79

Love you always -

as never, ma chérie.

An array of golden hues met the last warm days of summer. The class of '76 entered its year.

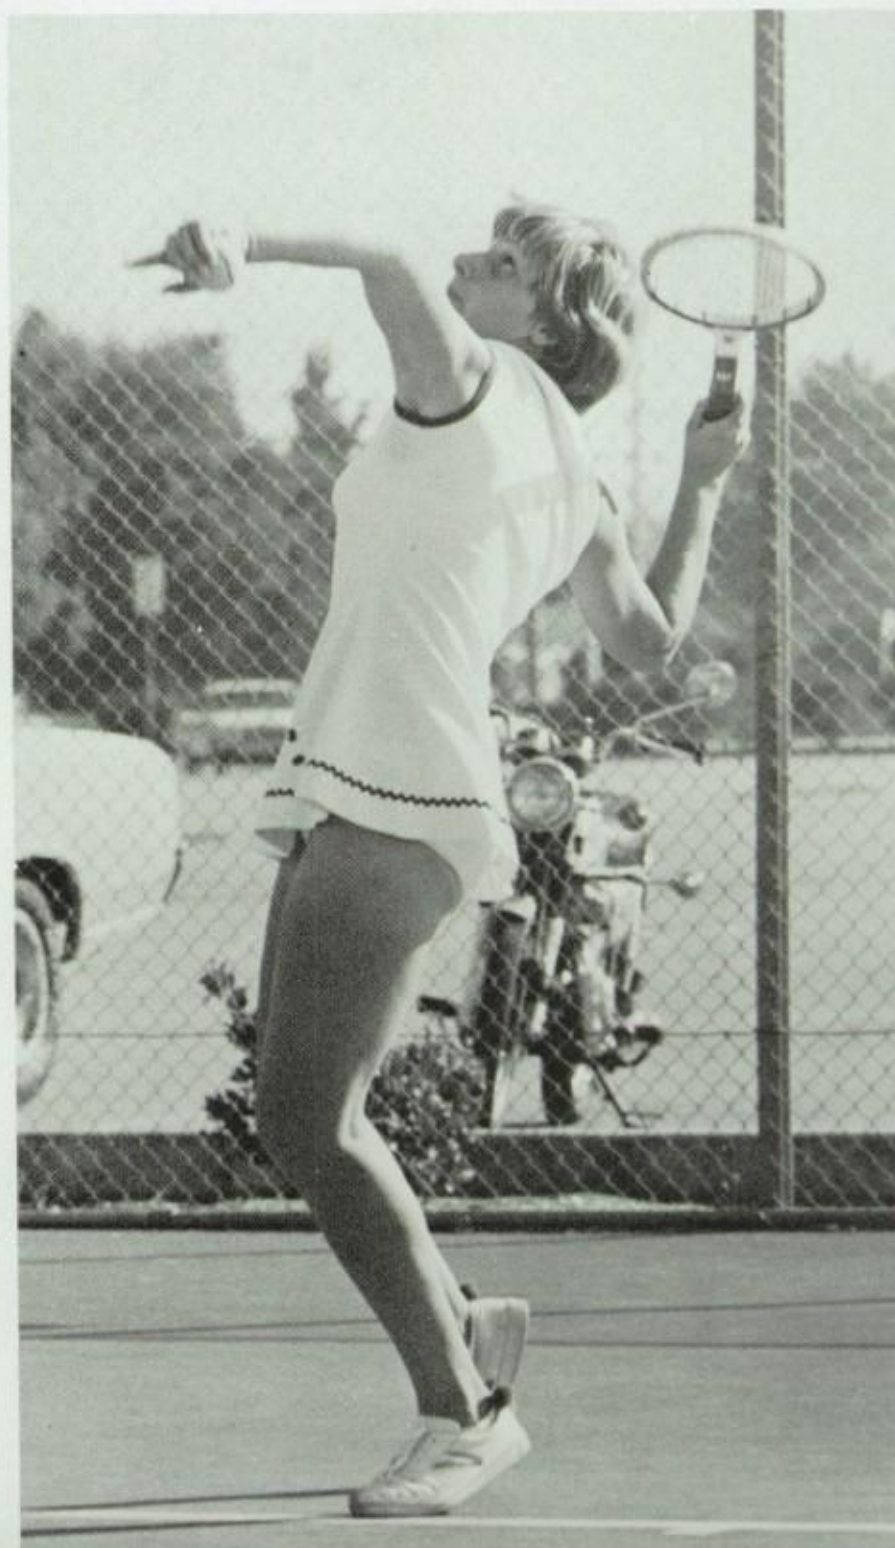

Like the transitions
from one season to
another, the new
school year
emerged with
bright prospects
and subtle changes.

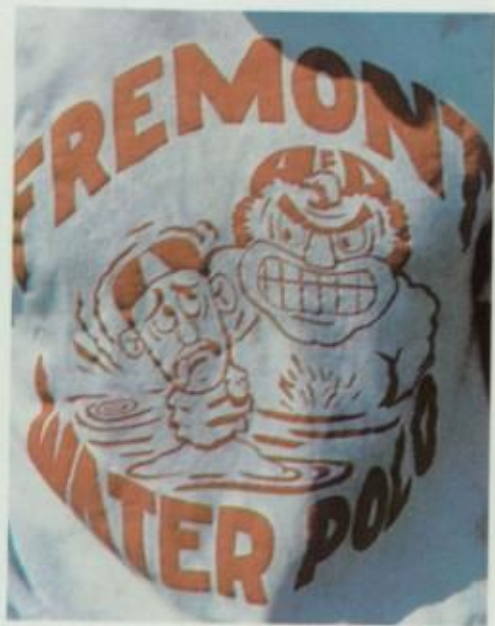

Fresh faces filled key administrative positions as Fremont adopted a seven period day, morning brunch, directed study, and, often, long lines at lunch.

A new student center housed ping pong tables, afternoon movies, and a juke box that just wouldn't quit.

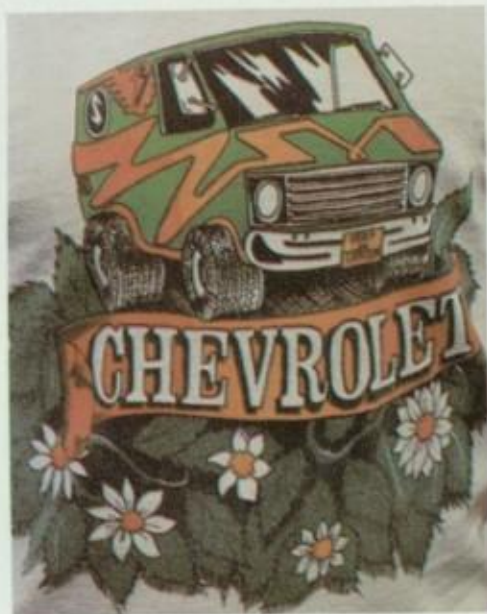

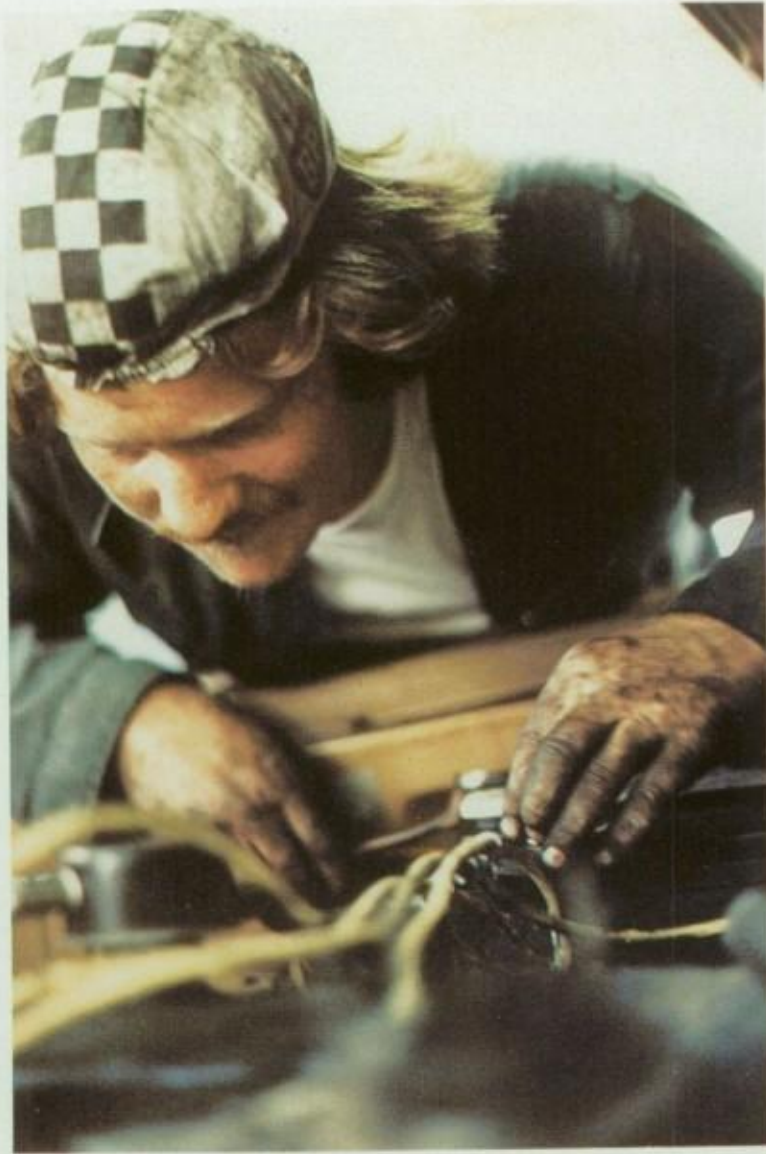

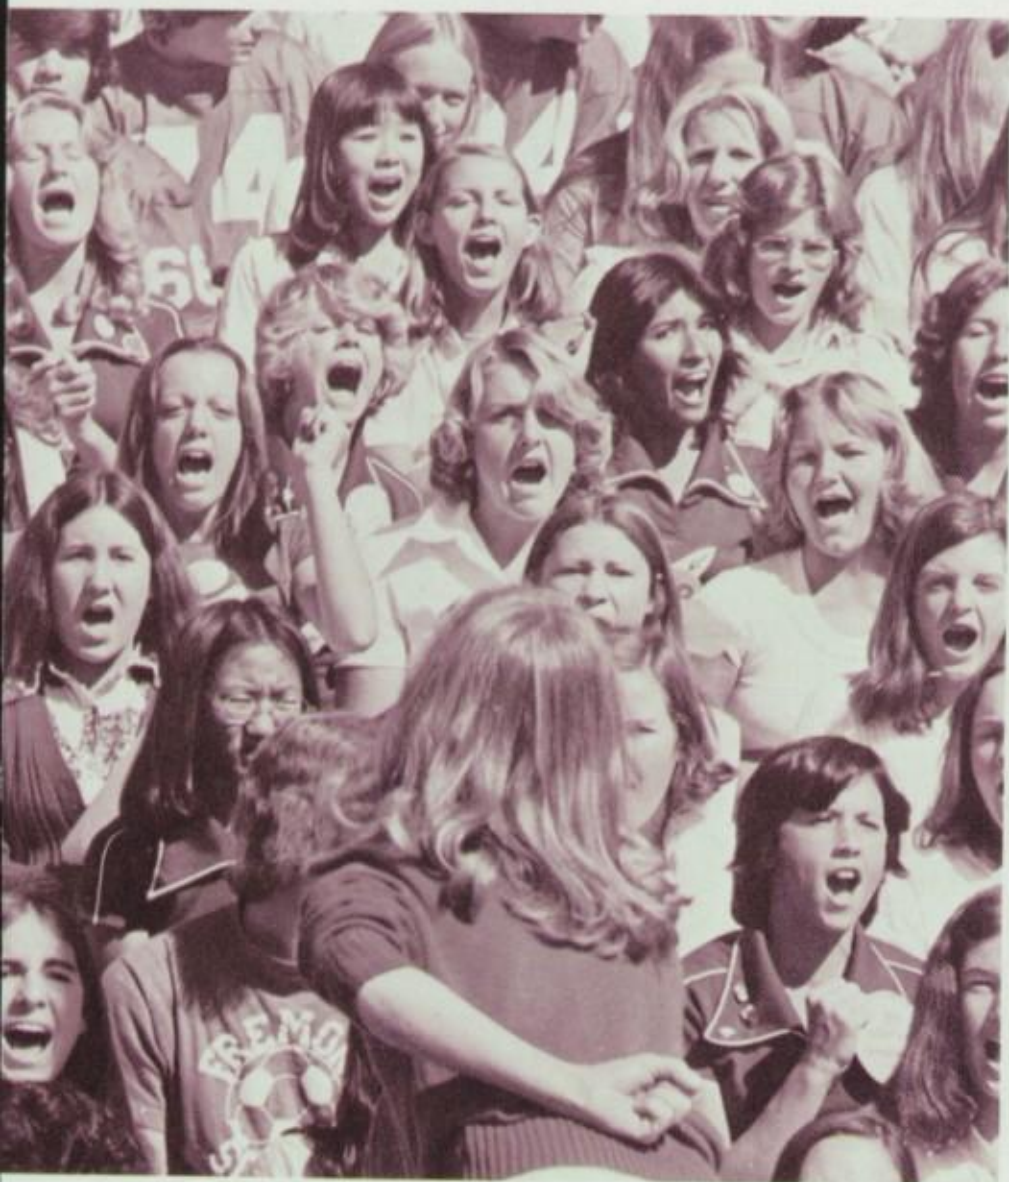

The creation of a media center brought new channels for self-expression.

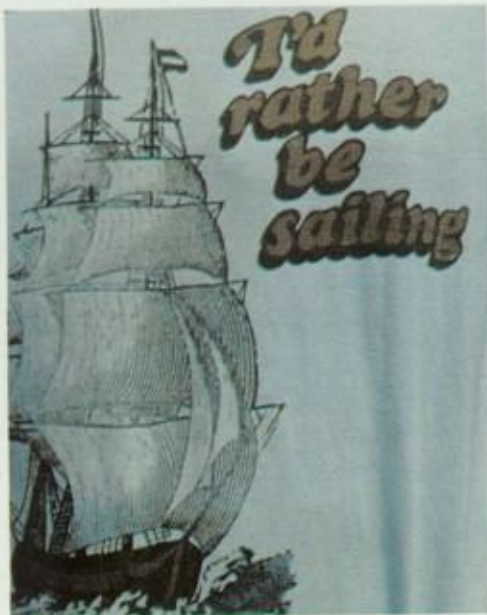

It is now another summer. The leaves are green again.

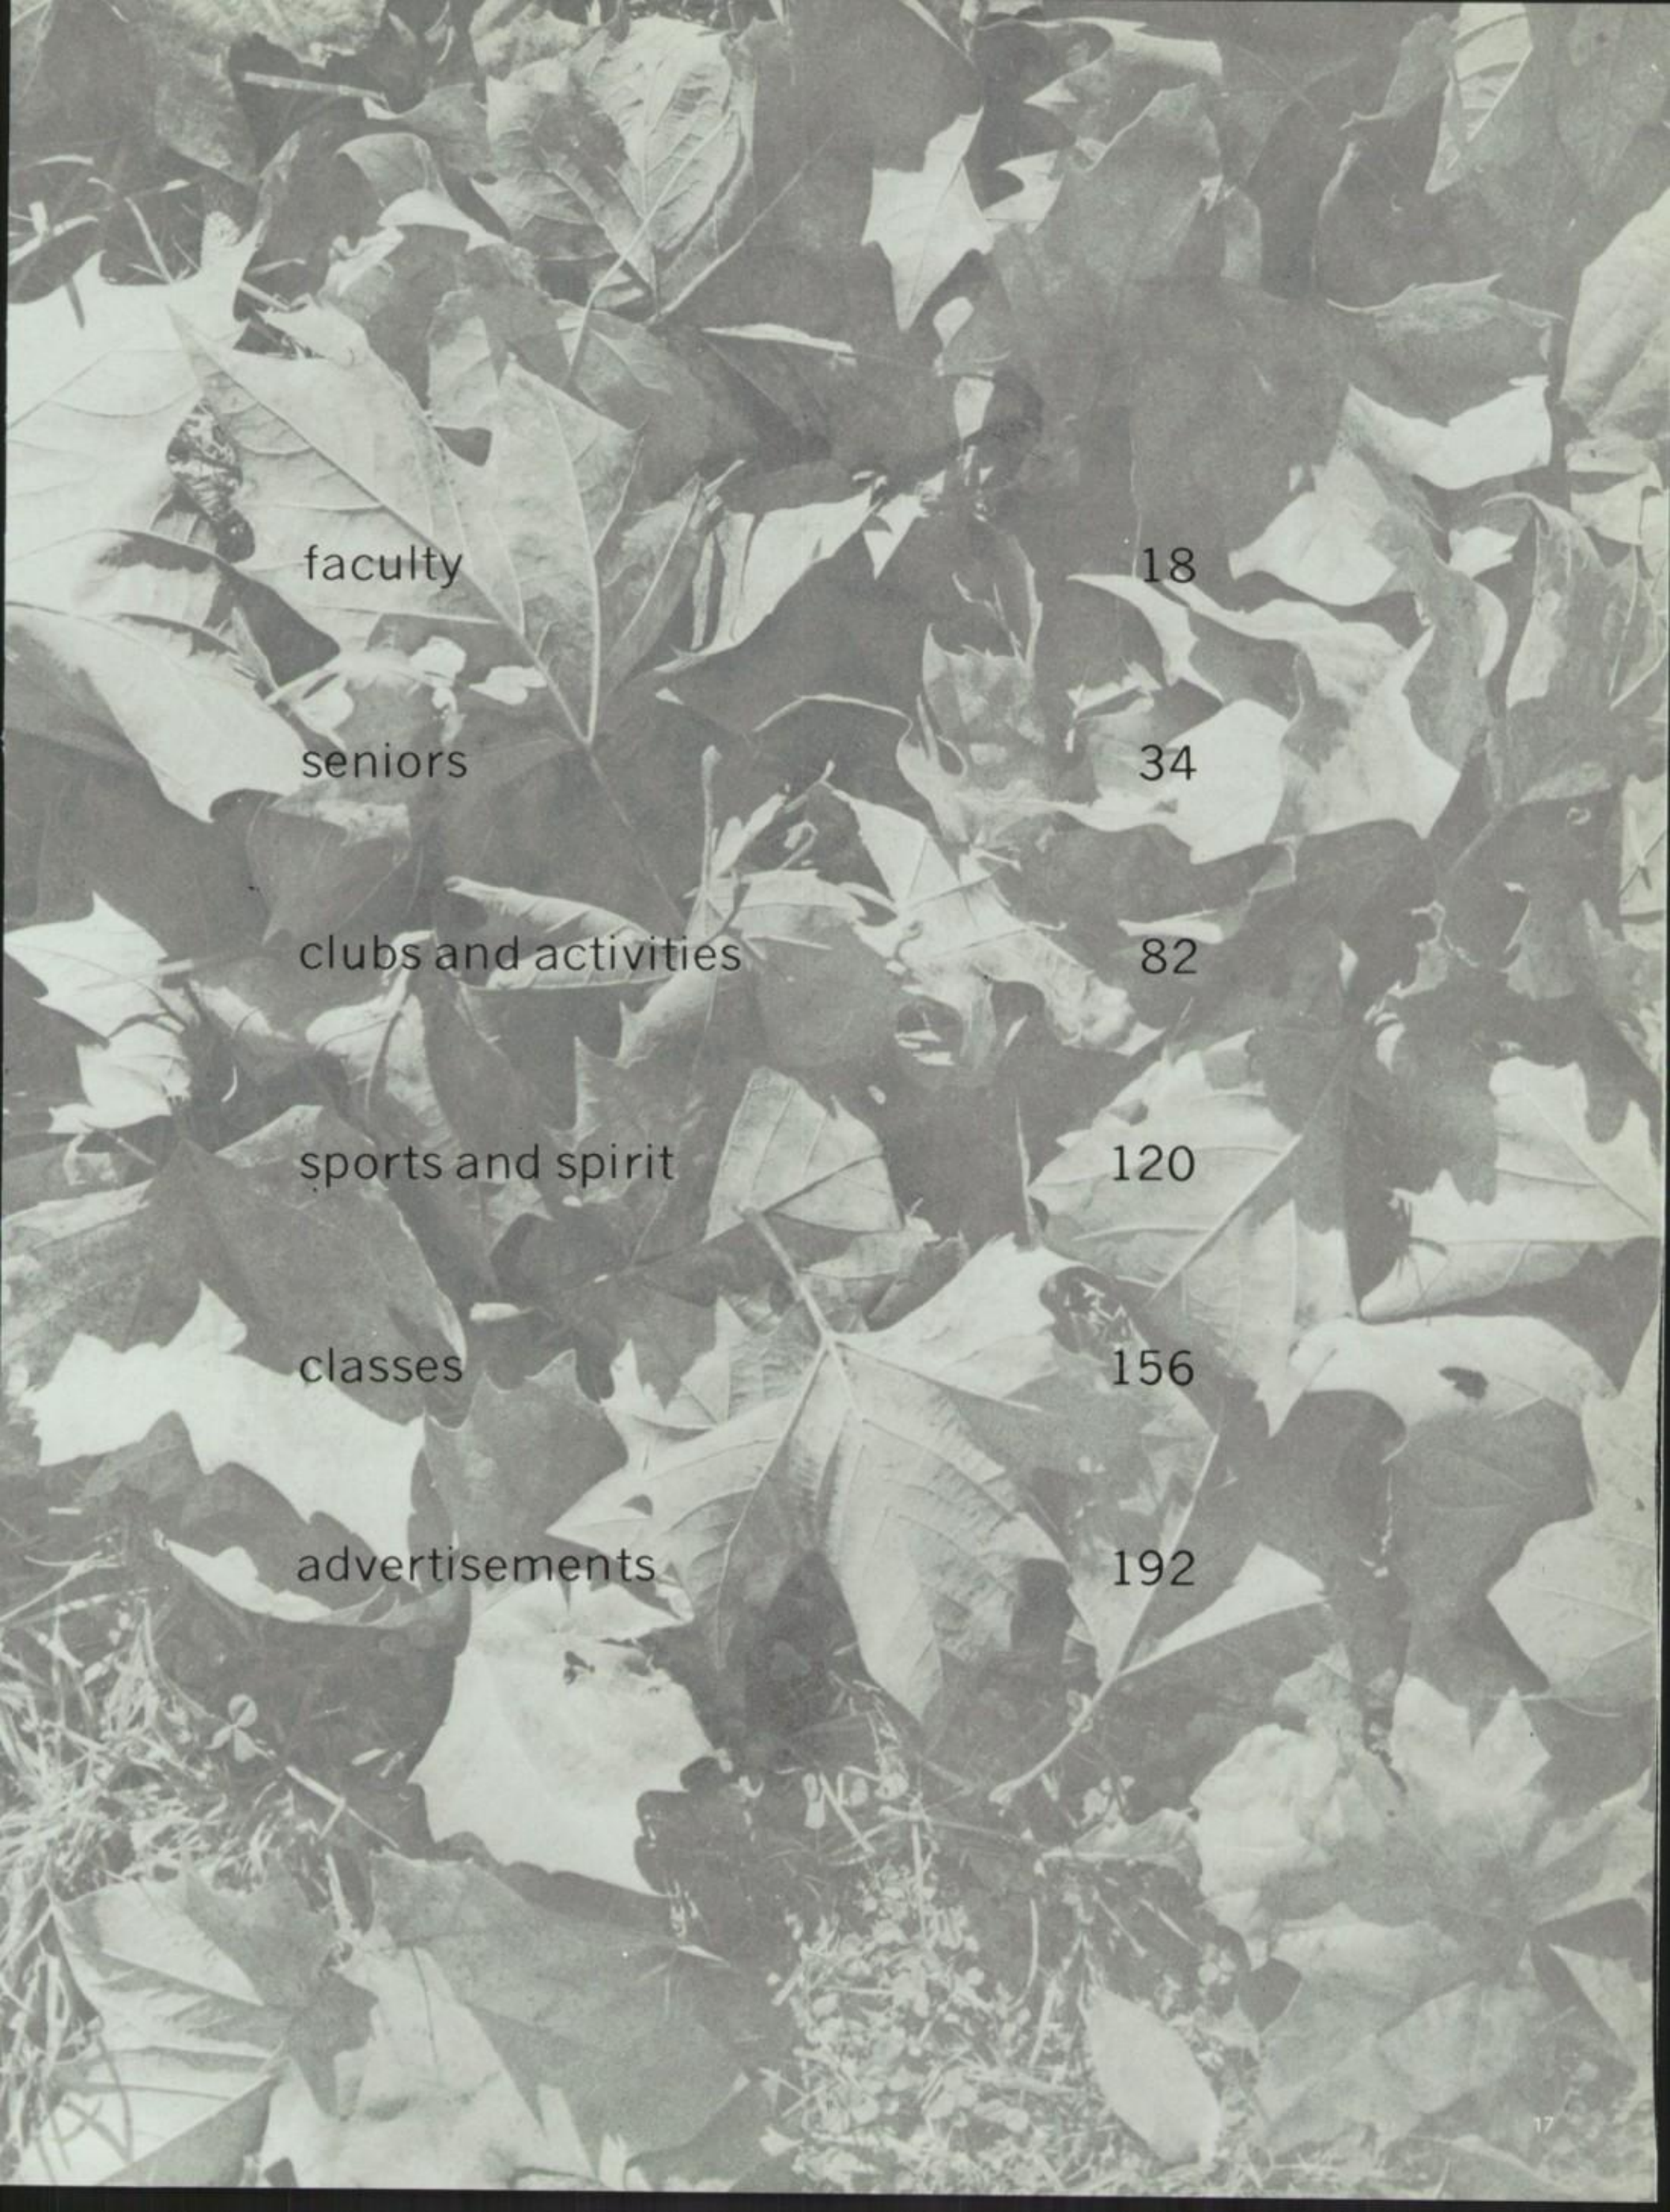

The football field has felt the shuffling of 617 robed figures on their way to 617 different places.

The seasons
softly curl into
each other. Each
passing day
brings gentle
changes.

Remember who
we used to be.

'We have watched you fulfill' . . .

Graduation is a happy time of year for teachers and administration as well as for students because it marks a period of accomplishment for all of us.

We have watched you fulfill certain goals and hopefully set new standards for achievement in the future. Whether you go on to college or to a job, or both, your education will be continuing.

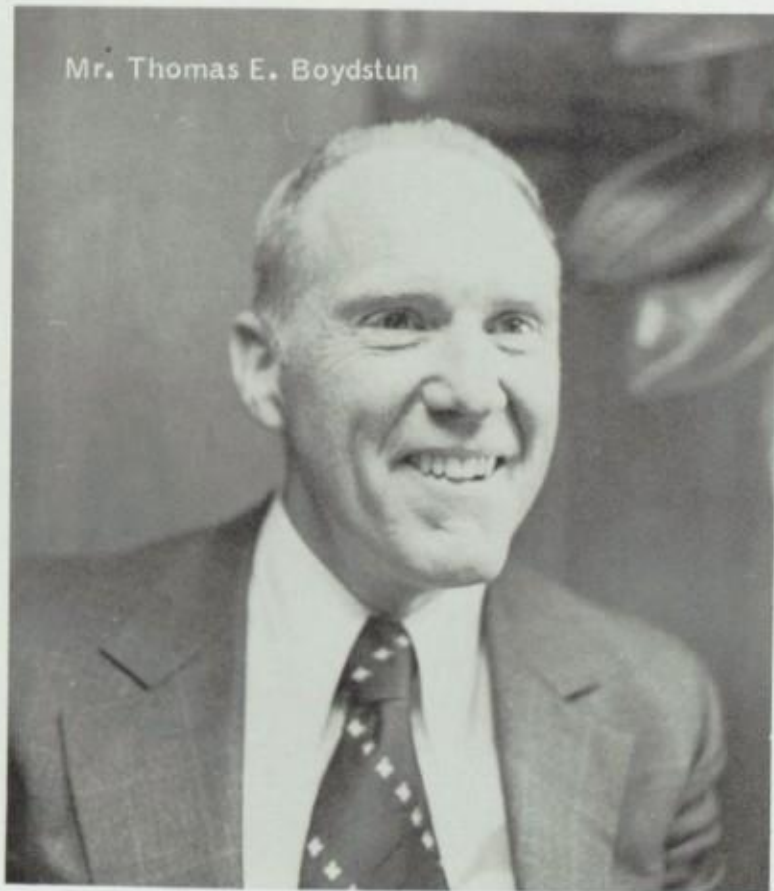

We hope you have received here the foundation you will need to help you meet the challenges of your adult life.

Mr. Thomas E. Boydston

Year of change smooth;

Principal bids success

"Congratulations to the Senior Class of '76. I would like to take this opportunity to thank you for your cooperation, accomplishments and leadership you have provided for Fremont High School. You have upheld the Traditions of Fremont High School, and provided goals for those who follow that will expand and enrich the school. You are fortunate in having been able to attend one of the outstanding comprehensive high schools in the nation. I hope we have helped provide you with the skills and abilities to reach your personal goals. On behalf of the entire staff, let me again congratulate you and wish you success in the future."

The year of change presented a new challenge for the counseling staff. They were always eager to help all classmen with such things as class schedules, college plans and vocational training.

P.E. instructors make good sports

The physical education department filled out an active year by adding new courses--bowling, hunter safety, self-defense and wilderness. Many Seniors took advantage of the court's exemption ruling which made P.E. optional for students in their last year of high school.

Homecoming dance ends spirit week

The 1975-76 spirit trophy was captured this year by the Sophomore Class, however, they were given tough competition from the Seniors. The week was filled with rallies, balloons, posters, stickers, and a lot of inter-class competition. During the half time ceremonies of the Homestead game, Diana Baker was crowned Homecoming Queen by previous Queen Debbie Olson. The dance was sponsored by the Key Club. Titled "The Witching Hour", it climaxed the week's activities.

Matching Couples danced to the tunes of "Get Ready" at the annual Sadie Hawkins Dance. "Overall Escapade" was the theme of this event, sponsored by Cascaids. Cathy Rudin and Clayton Ching won "Cutest Couple" while Julie Haro and Dan Lawson won "Best Dressed". Students had a blast, ending with a shot gun wedding.

Marryin' Sam portrayed by Principal Dr. Walter Hale, did all the hitchin'. Kurt McGowan won "Mr. Irresistible."

Exchange kindles friendship

This year four students from abroad studied at Fremont by way of the Foreign Exchange Program. These students were Susanne Jensen of Denmark, Marnell Van Der Leer of Holland, Veronica Souza of Brazil and Jens Leipziger of Germany. Upon departing the U.S., they expressed a great deal of gratitude for their American experience. They conveyed feelings that Fremont was an easy place to make new friends.

Active year promoted by ASB

Student Legislature worked hard to produce a more active year at Fremont. Along with organizing many dances throughout the year, they also sponsored a show called "The American Teen". It was put on by the Pepsi Cola Company and KFRC radio station.

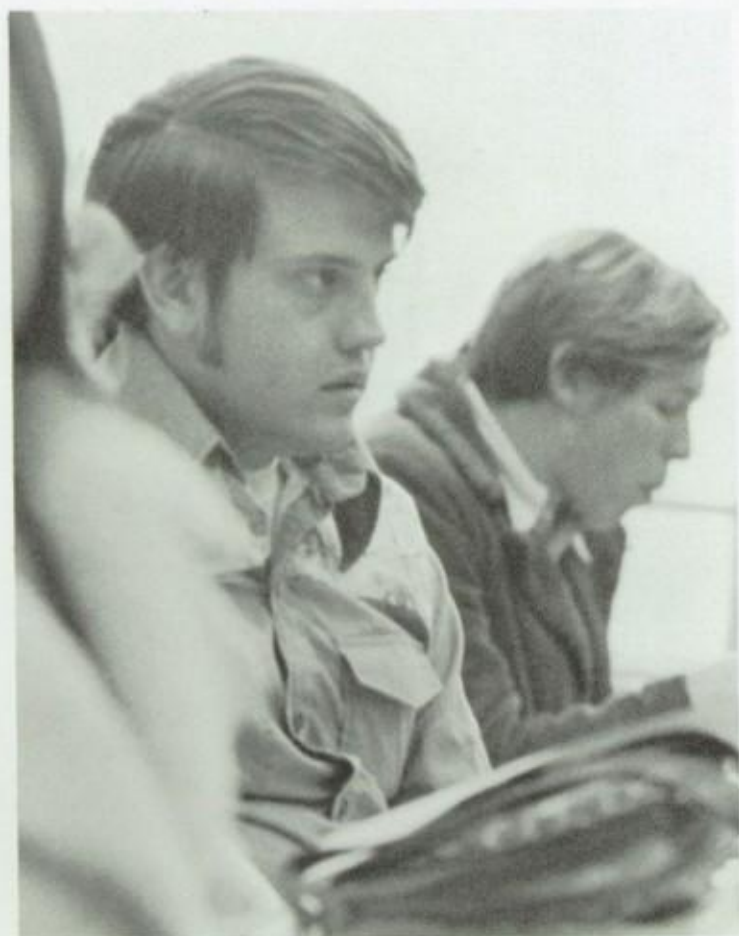

The General Assembly meetings were held during the lunch hour every Wednesday, where they discussed future events and created new and exciting ideas. During many lunch hours there were special and different presentations in the rally court. These included music ranging from a stereo system to live bands.

General Assembly also worked long and hard during the total year to keep the budget and finances in balance. Each officer and commissioner represented a specific school activity, being spokesman for his group.

Through the participation of these dedicated individuals, the business of running an active ASB moved ahead smoothly.

First semester ASB officers were Janice Cregan, president; Charlie Sloyer, vice-president; Karen Kolb, secretary; Diana Baker, treasurer; Debbie Anderson, activity points secretary; and Mark Holt, sergeant-at-arms. Pictured Above are second semester officers Don Statfeld, vice-president; Karin Hart, head judge; Lynn Stoops, secretary; Dale Chao, president and Craig Henderson, commissioner-at-large. Becky,
I hope you enjoy Fremont and
its drama department. My Fair Lady
was very worthwhile and I feel it
was an excellent show, mainly because
of the really good people in the chorus
and Higgins & Eliza. Hope also that
your remaining years at Fremont
are rewarding. Have the best of
luck in the next year.

Love,
Charlie

Following graduation, a deserving member of the organization received a scholarship as an aid to his first year of college. The club advisers were Mr. Craig Battaglia and Mr. Chuck Peters.

Rally Club is an organization that is hard at work throughout the year promoting both sport and spirit. Painting posters, attending games, yelling--these are just part of the club's activities.

We're up a creek without a lift

The Ski Club got off to a slow start this year due to the late winter snow. Ski Club's first trip this year was to Heavenly Valley and Sierra Ski Ranch. Mr. Todd Wallace was the club's adviser.

The Field and Stream Club members were active this year. They went on many weekend fishing trips. Some of these excursions included such spots as Kings River, Feather River, Lochlomond, Russian River and the San Luis Reservoir. Fund raisers included car washes and concession stands at games.

Becky,

The invitation will always remain open. That is, if your boyfriend and mother will let you. I'll be in New York for the next four years, so if you're ever 50 miles north of New York City, look me up. I'll be back next Christmas, so maybe I'll see you then.

Love always,

Hey let's bump . . . and Boogie!

The 1975 year for spirit was an exceptional one. All of our spirit leaders worked hard to put on successful rallies to keep the enthusiasm and spirit of Fremont High. Our Varsity cheerleaders won a first, third and a spirit stick at cheerleading camp. All are under the direction of Mrs. Marlene Rosburg.

Varsity Indians go on warpath . . .

It was a unsuccessful season for the Varsity team this year. Victories weren't numerous due to the loss of much of last year's winning squad. This year's team consisted of many young and aggressive players. Among them was Steve Zankich who was selected first team all league and also captured MVP offense and defense. Indians selected for honorable mention were offensive lineman Chris Larson and MVP lineman Steve Haag. Steve Zankich lead his team with an average of 5 yards per carry for a total of 497 yards.

JV's finish dismaying fifth

It was a year of disappointment and frustration for Fremont's Junior Varsity team this year. The Indian's overall record was a 4-5 with a league record of 1-4, finishing in a dismaying 5th place. However, the J.V. gridders did turn in many prominent statistics. These include Tom Nigarian and Jim Westlund, who were selected for first team all league. Selected for honorable mention were Al Wagner, Joe Pauley, Rick Allemandi, Abel Romero and Lance Lewis. Next year's J.V. season looks promising with added Frosh members to help strengthen the experienced team.

Frosh face distressing season

Frosh gridgers wrapped up the season with a 5th place and an over-all record of 3-5 and a league record of 1-4. The team showed an abundance of talent with many promising players for next year's team. Indian's selected as among the top players of the league were Greg Pedersen and Keith Lusk.

Fremont poloists make waves

The Varsity Water Polo team came through with another successful season this year. The team was lead by Coach Roger Edwards who did a superb job of training the Varsity squad. The team captured a third place in the pre-season tournament and came through with an excellent fourth place in the C.C.S. The season ended with a record of 19-6.

Varsity netmen finish third

The Varsity Basketball team fought an uphill battle against its competitors to capture a third place in league play. Even the outstanding efforts of first team all-league candidates Rick Thompson and Bill Perry could not help bring the tribesmen together for a winning season. The combined talents of team members and the dedicated coaching of Phil Kelly led the team to a league record of only 5-5 and a overall record of 12-14.

Junior tribesmen face tough season

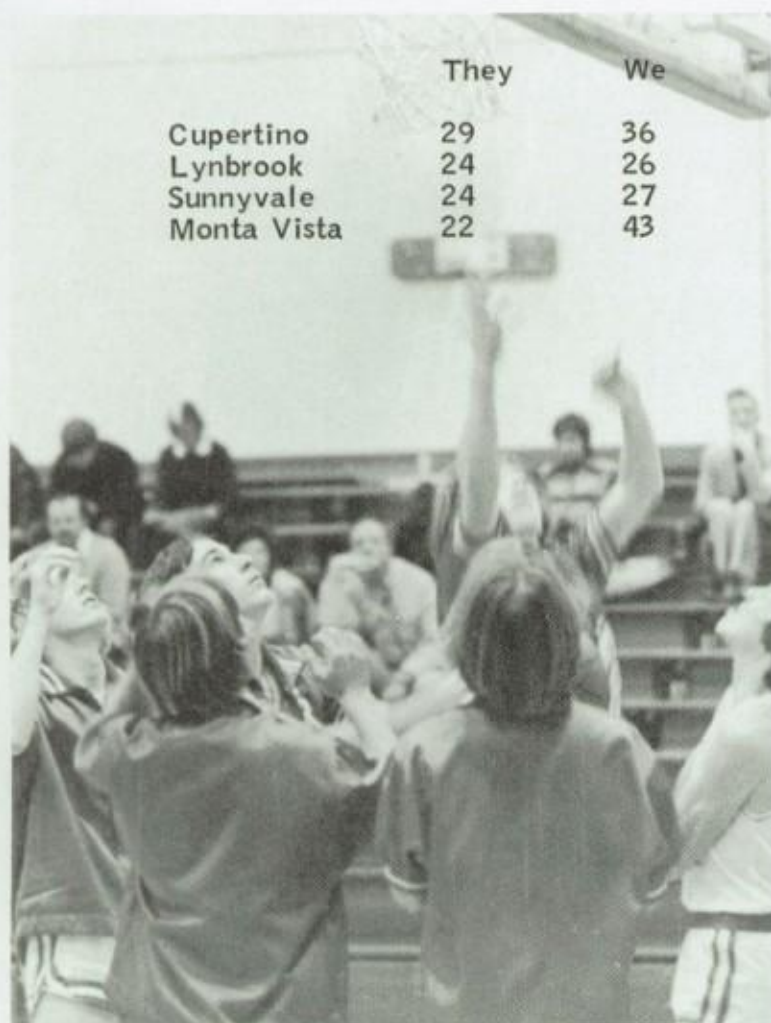

With an overall record of 11 wins and 11 losses, the J.V. Basketball team struggled hard through a long frustrating season. Even with the strong assets of Doug Lusk and Randy Borgman the tribesmen were not able to pull the big red machine together for a winning season. Due to the inexperience of this year's team, we ended the season in a fourth place.

Bevy of hits polishes diamonds

The Varsity team opened the season with four returning starters and showed early signs of a well balanced squad. Early season play saw outstanding players Dennis Day, Dave Nichols and Pete Mangan leading the squad to a victorious year. The powerful arms of Steve Eheler, Fred Williams, and Scott Irby kept the team in the winning column.

Frosh swing into sunny spring

The Freshman team started their workouts and practices in early March. During these weeks they worked up the confidence and spirit to carry them as full competitor in the sport. The team was predicted to grab a top spot in the league standings. The squad showed many independent talents; some of them were Jerry Baker, Mike Fay, Mike Shiner and Gary Hooper.

Cross country takes to hills

Fremont's Cross Country teams participated in numerous meets this year. The strongholds for the Varsity team were Seniors Jeremy Cowperthwaite and Roger Murray. The outstanding runner for the Sophomore team was Matt Morris. Coach Steve Pensinger surveyed this season as a tool in building a strong team for the upcoming years.

Girls make ready for long season

Swim team coach Mrs. Davis joined Mrs. Cox in helping the gymnastics team develop grace as well as strength in their competitions. During her first year as coach, Mrs. Davis worked enthusiastically in a challenging season. She gave the girls the experience which may bring them a successful season next year. Mrs. Gant and Mr. Findley were of great help to the volleyball teams, preparing them for a chance at the Nationals.

"78"

Becky,

A Story

Once upon a time about a year ago I came to school looking forward to what was ahead. As the year rolled by school and my contact with people there became a routine with nothing to look down on, but very little to look up to all the same.

Then came the spring musical, My Fair Lady. I was assistant crewhead and very happy. Well, work on the show rolled along and tech week finally arrived.

That week about 2 months ago I met you Becky Burke. The friend you have been to me, the openness and feelings we have exchanged has drawn me to regard you higher than words can express.

I hope we stay close friends for all time and a day, really. Have a beautiful.

Love Steve

Becky,

we've been through an awful lot together - because I've gone to school with you all my life! All 10 years have been a blast - I remember when we started to play jump rope in 6th grade. On all the fun we used to have with Mrs. Condray. I still consider you a very dear friend of mine and you always will be. So, have a fun summer. Good luck - only 3 more years to go!!

Bye-Bye for now. Love, Dolores Sam

3 p.s. I am going to
write something nice
to make you feel guilty.
You are the joy of my
life and your voice is
like music to my ears.
Your hair is straw-
berry blonde with
lovely gold lights.
I take back the
thing about gaining
weight because you
have a lovely willowy
figure. Your cheeks
are like roses and
you have delicate
features.

I will love
